Mission statement: The mission of ██████████ Children and Youth ministries is to empower and embrace today's families, children, and youth in their pursuit of Christ. Furthermore, serve as a support system for individuals within our ministry and communities by giving opportunities for Christian growth and development.

Good afternoon parents and guardians,

We are so thankful and grateful that you have chosen us to lead, guide, and mentor your youth during our VBX Preteens. Apart from the VBX lessons they also learn about missions and the call that we as believers have to give back and help our communities in need. At ██████████ we as a church believe it is imperative for all ages to learn how to give back to their community. Our church has a blessing box that many of our members fill up, and for the VBX Missions project we are asking that each child brings two canned goods or two non-perishable items Tomorrow (Wednesday). *You are welcome to bring more if you choose to do so.* If there are any questions please do not hesitate to contact me(my contact info is heading of the letter).

P.S there is a prize for them if they all bring some

Very Respectfully,

Minister Malachi Alexander, Director of children and youth ministries
