Cont. Skills

I have essential experience in preaching, leading, organizing (which includes founding a youth led nonprofit organization, creating courses/lessons pertains to youth and children, and activities that are engaging but also full of information), mentoring/ counseling, and dealing with starting ministries within churches. I have over 6 years of experience in dealing with youth led leadership inside and outside of the church environment. God has equipped and anointed me for revitalizing Ministry. In more recent years I have developed the skill of birthing and cultivating new ministries in the area of family ministries. I've held numerous opportunities to shape failing ministries into highly functioning and active ministries.
